

# CFSF Family Connection

March and April 2018

Dear Foster Parents,

*When I was 15 years old living in West Seattle, I attended a Billy Graham crusade at the King Dome. I remember the massive crowd and music that was not very "hip". It was fun being able to go listen to someone I had heard about growing up. When the singing and other speakers were done I remember the moment when Reverend Graham took to the podium. I was raised in a Christian home so I thought I was in for a good sermon and that would be that. I can't explain it, but my heart and spirit were touched to the point of tears by his message. When the altar call came, my legs took me down to the field broken and in need of a Savior.*

*Many years later I learned the amount of planning it took to pull off a Billy Graham event. Years of planning, hundreds of volunteers and significant funding. This brought me to thinking about you (foster parents). The planning, the training and the financial investment you make to become foster parents. The general public has no idea of all that you do to become foster parents. All of this is done for the purpose of rescuing young souls. Your willingness and sacrifice is truly remarkable and the difference you make is lifechanging.*

*God Bless you all for making a lasting difference in the lives of children.*

Sincerely,  
Mark Fullington
