

CFSF Family Connection

October 2019

Dear Foster Parents,

With summer behind us and the holidays rapidly approaching I hope all is well with your family. For the children you care for, this time of year can be a real challenge. Holidays often bring back memories of loss and sadness. It is heartbreaking to know what these little ones have been through.

I thank God for you all and the love and stability you bring to God's children. You are God's hands and His feet. The tears you dry and the hugs you give make a difference. I pray God blesses you for opening your hearts and homes to His children.

Sincerely,

Meet the Moses Lake Office!

Say hello to Adriana, Kelsey, Cory, Danielle & Blanca! Our first of the Eastern Washington offices to open. This team has built strong ties to the community, encouraged & recruited foster parents, celebrated life events alongside foster families and invested time and energy in seeing these families succeed. These ladies not only handle all licensing, respite & placement for the Moses Lake office, but oversee the rest of the Eastern Washington offices as well. Way to go, team!
