Parenting the Positive Discipline Way

Presented by Penny Michel MSW, LICSW

Parenting the Positive Discipline Way is a 15-hour in-service level series of trainings (broken up into 6 separate 2.5 hour sessions) for foster and kinship caregivers which explores tools to teach valuable social and life skills to children instead of using any form of punishment, rewards, praise, permissiveness or logical consequences. You are welcome to attend the entire series or pick and choose the individual sessions that work best for you.
