

Attention Deficit Hyperactivity Disorder (ADHD)

Presented by Randi Hankins LICSW, Child Mental Health Specialist

This 6-hour focused topic training for caregivers develops an understanding of Attention Deficit Hyperactivity Disorder (ADHD) as presented in DSM 5 and alternate behavioral descriptions from Daniel Amen MD. The training also covers the common developmental course of ADHD and a Seven Step Intervention pathway for home and school success.

Registration is required. Some classes may have prerequisites.

To register, go to allianceforchildwelfare.org, select [Our Courses](#), and search for your class.
